

LCAP ANNUAL UPDATE: WHAT'S DIFFERENT? WHAT'S THE SAME?

Beginning in the 2014-15 school year, both Local Control Accountability Plans (LCAPs) and Annual Updates must be complete each year.

The Annual Update section of the LCAP template must include:

- A listing and description of expenditures on LCAP actions currently being implemented.
- A listing and description of expenditures targeting high-need students and reclassified English learners.
- The listed expenditures identified in the update must be classified using the California School Accounting Manual.
- A description of changes to LCAP actions that a district will make as a result of the review and evaluation.

To complete the Annual Update section of the template, districts must engage in a reflection and review process, asking themselves the following questions:

The Annual Update and LCAP stakeholder engagement differ in some ways:
